Before the Filing of an Appeal Brief	Examiner	Art Unit						
	Md S Elahee	2645						
The MAILING DATE of this communication appears on the cover sheet with the correspondence address								
THE REPLY FILED 18 February 2005 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE.  1. The reply was filed after a final rejection, but prior to filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods:								
a) The period for reply expiresmonths from the mailing date of the final rejection.  The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection.  Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).								
Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).  NOTICE OF APPEAL								
2. The reply was filed after the date of filing a Notice of Appeal, but prior to the date of filing an appeal brief. The Notice of Appeal was filed on A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a).  AMENDMENTS								
3. The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will <u>not</u> be entered because  (a) They raise new issues that would require further consideration and/or search (see NOTE below);								
(b) They raise the issue of new matter (see NOTE below); (c) They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for								
	appeal; and/or (d) They present additional claims without canceling a corresponding number of finally rejected claims.							
4. The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324).								
<ul> <li>Applicant's reply has overcome the following rejection(s):</li> <li>Newly proposed or amended claim(s) would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).</li> </ul>								
7. For purposes of appeal, the proposed amendment(s): a) will not be entered, or b) will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.  The status of the claim(s) is (or will be) as follows:								
Claim(s) allowed: Claim(s) objected to: Claim(s) rejected: <u>1-34,36-45 and 47-62</u> .								
Claim(s) withdrawn from consideration:  AFFIDAVIT OR OTHER EVIDENCE								
<ol> <li>The affidavit or other evidence filed after a final action, but because applicant failed to provide a showing of good an was not earlier presented. See 37 CFR 1.116(e).</li> </ol>								
9. The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1).								
10. The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached.  REQUEST FOR RECONSIDERATION/OTHER								
11.   The request for reconsideration has been considered but does NOT place the application in condition for allowance because:  See Continuation Sheet.								
2. ☐ Note the attached Information Disclosure Statement(s). (PTO/SB/08 or PTO-1449) Paper No(s)  3. ☐ Other:								
<del></del>		FAN TSANG						
	SUPERVISO TECHNO	DRY PATENT EXAMINATION OF THE PARTY PATENT EXAMINATION OF THE PARTY PART	IER )					

Continuation of 11. does NOT place the application in condition for allowance because: Regarding claims 1, 9, 17, 25 and 53, applicant's argues in page 13, lines 12 and 13 'Gilhuly is silent regarding the user's ability to select fields for displaying the data items'. Examiner disagrees with the argument. The applicant didn't claim the limitation. Gilhuly teaches that user selects item [i.e., form] for displaying the content of the item (see col.2, lines 34-51, col.12, lines 12-18, 33-46). Thus the rejection of the claims in view of Gilhuly will remain.

Regarding claim 63, the applicant argues on page 14, lines 9-15 'the action property includes one of a Mail To property and a Dial Phone property'. The examiner disagrees with this argument. Wagner teaches that the selection option includes Go option or send option [i.e., one of a Mail TO property and a Dial Phone property (col.5, lines 21-47). Thus the rejection of the claim in view of Gilhuly and Wagner will remain.
